**Part IV - Acceptance Conditions**

EPA IAG Identification Number

**27. General Conditions**

The other agency covenants and agrees that it will expeditiously initiate and complete the project for which funds have been awarded under this agreement.

**28. Special Conditions** (Attach additional sheets if needed)

This agreement may be terminated by either Agency upon 30 days advance written notice, prior to site mobilization.

Any requirements for payment or obligation of funds, by the Department of Energy established by the terms of this agreement shall be subject to the availability of appropriated funds, and no provision herein shall be interpreted to require obligation or payment of funds in violation of the Anti-Deficiency Act, 31 U.S.C. Section 1341. In cases where payment or obligation of funds would constitute a violation of the Anti-Deficiency Act, the dates established requiring the payment or obligation of such funds shall be appropriately adjusted.

DOE agrees to reimburse EPA for all costs associated with the response. EPA will submit to DOE a demand for reimbursement of EPA's costs associated with the mine reclamation activities incurred on DOE property. (Continued on Attachment 2)

**Part V - Offer and Acceptance**

**Note:** 1) For Funds-out actions, the agreement/amendment must be signed by the other agency official in duplicate and one original returned to the Grants Administration Division for Headquarters agreements or to the appropriate EPA Regional IAG administration office within 3 calendar weeks after receipt or within any extension of time as may be granted by EPA. The agreement/amendment must be forwarded to the address cited in Item 29 after acceptance signature.

Receipt of a written refusal or failure to return the properly executed document within the prescribed time may result in the withdrawal of the offer by EPA. Any change to the agreement/amendment by the other agency subsequent to the document being signed by the EPA Action Official, which the Action Official determines to materially alter the agreement/amendment, shall void the agreement/amendment.

2) For Funds-in actions, the other agency will initiate the action and forward two original agreements/amendments to the appropriate EPA program office for signature. The agreements/amendments will then be forwarded to the appropriate EPA IAG administration office for acceptance signature on behalf of the EPA. One original copy will be returned to the other agency after acceptance.

ATTACHMENT 1                      DRAFT INTERAGENCY AGREEMENT

The Environmental Protection Agency Emergency Response Section will provide the following services to the Department of Energy on the DOE parcel identified as the south east quarter (SE 1/4) of Section 13, Township 13 North, Range 11 West, New Mexico Meridian located in McKinley County, New Mexico (Bluewater USGS Quadrangle).

Pursuant to Section 300.415 of the National Contingency Plan, EPA will conduct site stabilization and mine reclamation activities at this site. The purpose of this response is to prohibit the migration of radionuclide contaminants and reduce the elevated gamma radiation emissions associated with the large piles of uranium bearing protore and improper mine closure.

To accomplish this task, EPA and its contractors will perform the following tasks:

TASKS TO BE PERFORMED

- 1) EPA will conduct a 50 X 50 foot gamma survey using Ludlum 19 instruments to delineate elevated gamma radiation areas. Contour maps will be generated from the data. Data will be collected at both waist and ground level.
- 2) Fill material will be utilized within the DOE property and, if necessary purchased from adjacent property, to cover areas of elevated gamma radiation (165 uR/hr above background). Covered areas will be graded, sloped (3 to 1) and vegetated to withstand natural erosion.
- 3) Open adits will be backfilled with protore and filled to DOE specifications. Overburden material will be contoured and sloped to avoid reopening of the mine opening.
- 4) Mine vent shafts will be backfilled and plugged with concrete.
- 5) All disturbed areas will be revegetated with natural grasses and sloped to resist erosion. Radiological hazard warning signs will be posted on the reclaimed zones advising local residents to avoid disturbing the protective covering. The signs will be in English, Spanish and Navajo.
- 6) All work will be conducted in accordance with the approved EPA Region IX Health and Safety Plan dated 7/26/91. EPA shall provide air monitoring to ensure adequate worker safety.
- 7) EPA will provide biweekly progress reports in the form of Pollution Reports (POLREPS) to the DOE. At the completion of the project EPA will provide DOE with a copy of the OSC report. EPA will also submit to the DOE a detailed report of incurred costs.

- 8) EPA will conduct a post-response 50' by 50' gamma survey to ensure that all areas exceeding 165 uR/hr excluding background have been properly reduced to 50 uR/hr. EPA will conduct post-removal soil sampling to ensure that soil radium concentrations do not exceed the 40 CFR Section 192 standard of 5 pCi/g.
- 9) DOE will be responsible for conducting periodic inspections and, if necessary, maintenance of the reclaimed area.

## ATTACHMENT 1 CONTINUED

## ESTIMATED COST BREAKDOWN FOR PROJECT

## CONSTRUCTION CONTRACTOR

Estimated 14 days of work with 10 hours days

|                                    | Unit Price    | Quantity      | Amount    |
|------------------------------------|---------------|---------------|-----------|
| 1) Mobilization and Demobilization | \$ LS         | 1 job         | \$ 20,000 |
| 2) D8N Cat Tractors                | \$165.00      | 3 for 140 Hrs | \$ 69,300 |
| 3) 14G Cat Grader                  | \$130.00      | 1 for 70 Hrs  | \$ 9,100  |
| 4) 980C Front End Loader           | \$165.00      | 2 for 140 Hrs | \$ 46,200 |
| 5) D6H Cat Tractor                 | \$125.00      | 1 for 140 Hrs | \$ 17,500 |
| 6) Haul Trucks or Scrappers        | \$165.00      | 3 for 100 Hrs | \$ 49,500 |
| 7) Clean-Fill                      |               |               | \$ 15,000 |
| 8) Revegetation                    | \$425.00/acre | 20 acres      | \$ 8,500  |
| 9) Signs                           | \$230.00      | 6 signs       | \$ 1,380  |
| 10) Concrete materials             |               |               | \$ 10,000 |
|                                    |               |               | -----     |
|                                    |               |               | \$246,480 |

Equipment costs include manpower, fuel and maintenance.

## EPA Costs

|                         |             |               |           |
|-------------------------|-------------|---------------|-----------|
| 1) Field OSC            | \$ 20.00/hr | 180 hrs       | \$ 3,600  |
| 2) Radiation Specialist | \$ 24.00/hr | 180 hrs       | \$ 4,320  |
| 3) REAC Contractor      | \$ 65.00/hr | 180 hrs       | \$ 11,700 |
| 4) Per diem for crew    | \$ 75/day   | 3 for 18 days | \$ 4,050  |
| 5) Travel               |             |               | \$ 4,000  |
|                         |             |               | -----     |
|                         |             |               | \$ 27,670 |

Estimated Total Cost

---

 \$274,150

Attachment 2

The EPA, as the Agency providing the Federal On-Scene-Coordinator, shall provide a report which summarizes the EPA activities at the Site upon completion.

A breakdown of charges is not currently available, however, it will be provided in detail to DOE prior to EPA's request for reimbursement.

The demand will be made in the form of a letter and will be accompanied by Removal Cost Management System documentation and other cost documentation that will serve as the accounting of EPA's expenditures. Payment shall be made by check payable to the United States Treasury and addressed to:

United States Environmental Protection Agency  
Financial Management Section  
26 West Martin Luther King Drive  
Cincinnati, OH 45268  
Attention: Connie Ely, FMD

Include on the check the IAG number. Please send copies of the check and cover letter to:

Robert Bornstein, OSC
